### APPENDIX.

---

#### REPORT OF THE BOARD OF EDUCATION.

We respectfully submit to the Conference the following report on Education:

The following institutions have submitted their annual reports to the Board: Trinity College, Trinity High School, Weaverville College, Greensboro Female College, Davenport Female College, Rutherford College, Oakland High School, Belwood Institute, Bald Creek Academy, Paine Institute, Brevard Epworth School, Unionville Institute, Iotla High School, and Sparta Institute.

#### VANDERBILT UNIVERSITY.

Vanderbilt University is now the property of all Southern Methodism, and therefore a connectional institution. With an enrollment of 771 students in seven different departments, it stands at the head of our educational system. Its influence is felt not only in our own country, but it reaches to the farthest limits of our missionary fields in foreign lands. We note with pleasure that fifteen members of the Western North Carolina Conference have been students in the Biblical Department. We commend it to our people, and ask for it their earnest prayer and hearty support.

#### TRINITY COLLEGE.

This institution has had a remarkable development during the past few years. From a college limited in influence and service because of a meager equipment, it has forged its way to the front, and stands to-day the leading college of Southern Methodism. The aim of those in charge of our Conference College has been to develop it along the lines of quality rather than quantity. The President and faculty have resolutely set their faces against that great temptation of educators—superficialness. They have steadily resisted all influence to introduce cheap and superficial methods and processes. The result now coming to the church from this course is the creation of a very high educational ideal that will in years to come make Trinity College famous, not as a collection of magnificent buildings, richly endowed, but as a great center of intellectual and moral life—a strong fountain of Christian civilization. We are gratified also to learn that while the standard of scholarship has been raised and the requirements for admission made more rigid, the attendance has increased, and is now the largest in the history of the college. It is with special gratitude that we note the reception of an additional gift of \$100,000.00 from Mr. Washington Duke to the endowment fund, and of a library building from Mr. B. N. Duke. We commend the example of this large generosity to our Methodist laymen of increasing wealth, as worthy of imitation, and suggest that the time has come for a more general and generous bestowment of gifts upon our Conference College. We believe that much of the development

to which we have referred is due to the tireless energy of the distinguished President and faculty.

#### WEAVERVILLE COLLEGE.

Weaverville College holds steadily on its way. In the past it has accomplished a work of inestimable value to the church, and at present occupies a strategical position in the educational work of our Conference. Situate in a rural community, with a beautiful location and salubrious climate, its moral and intellectual atmosphere corresponds with its physical environment. All the property belonging to this institution is deeded to the Western North Carolina Conference. We commend it to the hearty support of all our people.

#### GREENSBORO FEMALE COLLEGE.

This institution is not the property of our Conference, but is owned by Methodist laymen, and is thoroughly Methodist in its organization and spirit. Without hesitancy we commend it to our people for the thoroughness of its intellectual culture, and the healthy religious tone which pervades all its work. Young ladies here receive a genuinely Christian education. With a past of which it may justly be proud, it moves steadily forward to an enlarging future.

#### ASHEVILLE COLLEGE FOR YOUNG WOMEN.

This institution has an honored history and occupies an important position in the educational work of Southern Methodism. Its students are drawn from a territory comprising many States, and its reputation and influence are national.

#### DAVENPORT FEMALE COLLEGE.

We are glad to learn that this institution is taking on new strength and activity. The faculty has been enlarged, the buildings improved, and the attendance increased. A loan fund for the benefit of needy students has been created, which we consider a most timely and commendable feature, and one that should be adopted in our other Conference schools. The advancement of this school has been made possible by the capable administration of the President and generosity of the citizens of Lenoir and vicinity. Davenport Female College is the only college for young ladies within our bounds which is the property of the Conference, and for this reason, as well as others, we especially recommend it to all our people.

#### RUTHERFORD COLLEGE.

The property known as Rutherford College has during the year come into the possession of our church. The buildings have been repaired, and a strong faculty of consecrated young men has been secured to take charge of the school. The work has opened with every promise of success, and Rutherford College promises to become one of our strongest and best institutions of secondary education. The work at present, to a limited degree, is co-educational, but the intention is to ultimately make it a school for young men only. We give it our most hearty commendation.

#### TRINITY HIGH SCHOOL.

This school is under the management of Rev. J. F. Heitman, an educator of long experience and wide reputation. It is of secondary grade, and is doing an excellent work.

## TRINITY PARK HIGH SCHOOL.

This school is situated in Trinity Park near the campus of Trinity College. It is of secondary grade and has a course of study especially adapted to that of the College. It has an able faculty, a fine equipment, and an increasing attendance.

## BREVARD EPWORTH SCHOOL.

This school is located in Brevard. It was founded by Rev. Fitch Taylor in 1895, to meet the educational needs of the poor in the mountain region of our Conference. It is industrial in its character, and charitable in its purpose, and forms an important link in our educational system. Through the Twentieth Century Offering some six thousand dollars has been contributed for the erection of much-needed buildings. We recommend that it be taken under the fostering care of the Conference, and that our Epworth Leagués and Sunday Schools continue to extend to it their cordial and liberal support.

## OTHER SCHOOLS.

The reports received from Oakland High School, Iotla High School, Belwood Institute, Bald Creek Academy and Unionville Institute, indicate a steady growth. - These schools have received substantial aid from the Twentieth Century Offering, and are now better equipped for their work than ever before.

## THE TWENTIETH CENTURY OFFERING.

We learn that up to this time \$24,563.70 has been subscribed to the Twentieth Century Fund in this Conference. This leaves \$45,436.30 to be raised before the expiration of the year, if we secure our proportion of the one million and a half, undertaken by our church. In

this matter there must be no failure, and lest the goal be not reached by January 1st, following the suggestion of the General Secretary, we recommend the continuance of the Offering through the coming year, and that this take the place of the usual collection for education. We recommend that when these collections are taken, the character and needs of the Biblical Department of Vanderbilt University be clearly set forth, so that the primary object of this movement, as presented in the action of the General Conference, does not fail. We also urge upon all our pastors the necessity of securing an offering from every member, and that all diligence be exercised until the last man is reached. As an auxiliary in prosecuting the canvass, we recommend the circulation of the New Century Education edited by Dr. Hammond, and published by order of the General Board of Education. This little paper should be in the hands of every official member in our church. For the continuance of this campaign, we recommend the same plan and basis of distribution as followed this year:

1. That each pastoral charge be regarded as a District, over which the pastor shall have immediate supervision. It shall be his duty to divide the membership into classes of fifty each—over which he shall appoint a leader, whose duty it shall be to personally present the object and claims of the movement and solicit a personal offering for the same.

2. Each Presiding Elder shall have supervision of the work within his District—arranging Mass Meetings, distributing literature and using such other means as will facilitate the collection in the several charges in his District.

3. That a Conference Secretary be appointed, whose duty it shall be to have general supervision of the work throughout the Conference. He shall cooperate with the Presiding Elders and pastors in the distribution of suitable literature, arranging Mass Meetings and securing the aid of suitable speakers for the same.

For Conference Secretary we recommend the appointment of Rev. Samuel B. Turrentine.

We recommend that in making the canvass the representatives of all our institutions be accorded full right-of-way.

#### DISTRIBUTION OF FUNDS.

According to the provisions enacted by the General Conference, the funds raised are to be applied to the following purposes:

- (a) To the expenses of the canvass.
- (b) To the needs of Institutions belonging to the Church in each Annual Conference or group of Conferences.
- (c) To the endowment of Vanderbilt University.

Of the amount contributed, that portion not otherwise directed by the donors, \$300.00 shall go to the General Board, and the remainder to be distributed as follows:

- (1) Fifty per cent shall be appropriated to Trinity College for the purpose of creating a loan fund for the use of needy students.

- (2) Thirty per cent shall be apportioned to Weaverville College, and twenty per cent to Davenport College.

- (3) That any money which may be contributed for the purpose of purchasing sites for school buildings, of erecting school buildings, or procuring appliances of any sort for any school or schools, now vested or which may become vested in the Methodist Episcopal Church, South, during the year 1900, shall be regarded and counted as a part of the Twentieth Century Thank Offering.

## WATCH NIGHT.

We heartily endorse the suggestion of Bishop Galloway, that on the last night of this century a "watch-night" service be held in all our churches. The General Board has adopted this suggestion, and is preparing an appropriate service for such a meeting. We therefore urge every pastor to heartily cooperate with the Board in carrying out this plan, and arrange, if possible, for such a service in every church on his charge. We are confronted with great opportunities and grave responsibilities, and we believe that Southern Methodism can most appropriately greet the new century with vows of consecration and prayers for the increase of the power which rested upon our fathers.

## CORRELATION OF OUR SCHOOLS.

Your Board believes that the time has come for the unification of our educational work. We believe the best means to this end is the classification and correlation of our schools according to the plan set forth by the General Board. We therefore, request that before the meeting of our next Annual Conference, each school belonging to the Conference and those belonging to the church and under Methodist influence, submit to the Board a copy of the curriculum of the studies pursued and of the standards or proficiency required, in order that the work of correlation may be completed.

## FREE SCHOOLS.

We believe thoroughly in popular education, and that our public school system should be enlarged and strengthened as rapidly as possible. We therefore respectfully petition our next General Assembly to make a special appropriation, of not less than \$200,000, for this purpose. We direct that the Secretary of this Conference present this action to that body.

## EDUCATIONAL DAY.

In accordance with a resolution adopted by our General Board of Education, we suggest that the 3d Sunday in June be known as "Educational Day" in our Conference. We wish to emphasize the importance of giving this day and the cause for which it stands deserving consideration.

## CHILDREN'S DAY.

We desire also to give emphasis to our former recommendations in relation to Children's Day.

## TREASURER.

We wish to direct attention to the fact that all funds collected for the purposes of education must be promptly turned over to W. R. Odell, Concord, N. C., who has been elected Treasurer of the Board of Education.

## REPORT OF EPWORTH LEAGUE STANDING COMMITTEE.

In the W. N. C. Conference there are 91 Leagues and 3,529 members.

The Fifth Annual Epworth League and Sunday School Conference was a gratifying success. Two hundred and fifty (250) delegates were present from all parts of the Church. We recommend that a similar Conference be held in the spring.

We most heartily commend the plan endorsed by the Epworth League Conference by which our Leaguers offer their help to the presiding elders and pastors to assist them in any way they deem best to raise the missionary assessments in full.

We recommend the *Epworth Era*, the *Epworth News*, and the Reading Course.

C. F. SHERRILL,  
*Secretary.*

GEO. L. HACKNEY,  
*Chairman.*

## REPORT OF SUNDAY SCHOOL BOARD.

We are sorry to have to report a decrease of 18 per cent in the number of our Sunday Schools, and a decrease of 2,600 members.

We regret that the observance of Children's Day has not been general, but wherever it has been observed its beneficial results are apparent. We request our pastors to insist upon its observance in all our schools, as the Discipline requires.

We recommend that a mid-year meeting of the Board be held in connection with the Epworth League Board to arrange for holding the Annual Epworth League and Sunday School Conference, and that the part of program given to the Sunday School be arranged chiefly for institute work.

We note with pleasure the continued improvement in our Sunday School literature under the able conduct of our own Dr. Atkins, and we urge our pastors to secure its universal use in our Sunday Schools.

Respectfully submitted,  
D. B. COLTRANE,  
*Secretary,*

C. H. IRELAND,  
*Chairman.*

The Presiding Elders in Cabinet meeting recommended that the Board of Missions add \$200.00 to appropriations to be equally divided between Bryson City Station and Kernersville Circuit, the \$200.00 to be raised by the Presiding Elders.

The Board has assessed the Conference for Domestic Missions the ensuing year the sum of eight thousand dollars (\$8,000.00), and the assessment of the Parent Board for Foreign Missions is fourteen thousand dollars (\$14,000.00), and these amounts have been apportioned to the districts by the Joint Board of Finance.

The Board nominates J. C. Smith in place of M. O. Sherrill, resigned.

The Board adopted the following:

*Resolved 1.* That we note with special pleasure the presence before them of Mrs. M. J. Branner, of Waynesville, president of the Woman's Home Mission Society, of the Western North Carolina Conference, and would earnestly commend as a most helpful auxiliary to our domestic mission work, that of this organization, and respectfully recommend the formation of auxiliaries wherever practicable.

*Resolved 2.* That while the Board has supplemented this year in two cases the appropriations made a year ago on account of changes made subsequent to representations made to the Board, we wish to

call the attention of the Conference to the fact that the Board will not hereafter change its appropriations, and therefore urges that all possible information be furnished the Board to enable it to make the wisest disposition of the funds entrusted to it.

Remarks: The Board believes that the Conference can and should, the ensuing year, pay every dollar of the assessment for both Foreign and Domestic Missions, and looking to this end, it has appointed a special committee of five, W. R. Ware, C. F. Sherrill, W. M. Curtis, J. E. Gay and C. H. Ireland, to aid in the work. A mid-year meeting has also been decided upon, to be held Tuesday after the third Sunday in January, at some centrally located town.

The Board requests the appointment of Rev. W. L. Grissom as Field Secretary.

The Board acknowledges with gratitude the bequest of the late Edwin Helsabeck, of Stokes County, amounting to \$1,349.29, to be applied to Foreign Missions, and commend this generous deed to the consideration of others.

#### REFORM SCHOOL.

Your committee has earnestly considered the various documents placed before it concerning the erection of a Reform School for all criminals under twenty years of age, and for which an appeal is being made to the General Assembly of North Carolina to appropriate a sufficient amount of money to secure the same.

Your committee heartily endorses the enterprise, and offers the following resolution for your consideration and adoption, to-wit:

*Resolved*, That we, the members of the Western North Carolina Conference, heartily endorse said movement, and recommend the building of an Industrial School for juvenile criminals, in the State of North Carolina instead of a Reform School, and thus avoid the stigma which would be attached to its graduates, of having been in a Reform School.

Respectfully submitted,

(Signed)

H. F. CHRIETZBERG,

T. A. BOONE.

W. H. LEITH.

## BIBLE CAUSE.

We submit the following:

We pay less than \$400 annually to one of the most important causes in the dissemination of truth connected with Christianity, the American Bible Society. We know that Christ has said, "search the Scriptures," but how can they search them unless they are sent. We are conscious of the fact that the Missionary's work would be almost a total failure without the Bible. We know that the 2,000,000 copies of the Word of God planted in China last year places Christianity there to stay. We are painfully conscious of our failure in doing our whole duty toward the American Bible Society. Therefore

*Resolved* 1, That every pastor taking this collection as required in each church, shall so clearly set forth the claims and importance of this cause that the people may thoroughly understand and appreciate their duty.

2. That we encourage our young people to take part in supporting this cause, and educate them to do their whole duty in giving the Word of Life to those who have it not.

3. That we endeavor to put a copy of the Holy Scriptures in the hands of every child in our congregations, and others in our bounds who are destitute of the Bible.

J. H. BRENDLE, *Chairman*.

## STATE HOSPITAL AT MORGANTON.

With a high appreciation of our State Institution at Morganton for the benefit of the insane, and earnestly desirous that it shall fulfill, to the utmost, its humane mission to that unfortunate class in Western North Carolina, and having heard repeatedly through our secular papers, and more directly from Dr. Murphy, that there are applications for at least *five hundred* patients who can not be accommodated, for want of room, we, the members of the Western North Carolina Conference, out of sympathy for these unfortunate people, who are thus shut out from all proper treatment, respectfully and earnestly memorialize the Legislature, at its next session, to so increase its appropriation to this institution that it may afford accommodation to this large class, who either languish in jails, or are a perpetual menace and care to their friends at home.

*Resolved*, That to that end, the Secretary of the Conference be instructed to send to the President of the Senate and to the Speaker of the House, respectively, copies of this memorial at the opening of the Legislature, earnestly asking their attention and cooperation in this matter.

G. H. DETWILER.

C. M. PICKENS.

November 24, 1900.

## METHODIST ORPHANAGE.

Your committee to whom was referred the communication from the North Carolina Conference, inviting this Conference to become a patron of the Orphanage now in process of erection by said Confer-

ence, beg to report as follows: That we appreciate the fraternal Christian spirit of our brethren, and rejoice in their noble achievements in founding an institution for the protection and training of the "fatherless ones," and assure them of our deep interest in, and prayers for, the success of this noble Christian charity, and that we shall be glad to aid in any way feasible in pushing it forward to a great success. We would therefore recommend that a commission, consisting of three preachers and three laymen, be appointed by this Conference to confer with a like commission from the North Carolina Conference to consider any proposition from the said Conference looking to the cooperation of our Conference with them in this matter, and report to our next annual Conference.

Respectfully submitted,

H. H. JORDAN.

T. F. MARR.

H. M. BLAIR.

#### SABBATH OBSERVANCE.

We believe that nothing is of more vital importance to the church of God, than keeping the Sabbath holy; and nothing of more value to the State than the quiet, thoughtful Sunday.

Many are the encroachments made by Sunday toil, Sunday travel, and Sunday amusements. These things are contrary to God's law, and the best interests of our nation. We must continue to cry out against these things, and seek to check their tendencies. We must educate our people up to high ideals on this matter. Therefore be it

*Resolved* 1. That we protest against the Sunday paper and against all other newspaper work done on Sunday.

2. That we deprecate the sentiment, all too prevalent, that "the end justifies the means," as manifested in the growing disregard of the Lord's Day in the matter of Sunday travel.

3. That we recognize the good work done all over the country by the Sunday League of America, represented at this session of our Conference by Dr. Edward Thompson, of Atlanta. And we are gratified to learn that he proposes to give one month to our Conference during the coming year, delivering addresses and distributing literature on Sunday Reform. Further: We have examined some of the Sunday Reform Leaflets, published by the Society Dr. Thompson represents, and feel that they will be valuable, if used; and we pray that his labors may be blessed to the good of all our communities.

(Signed) J. N. HUGGINS, *Chairman*.

W. H. WILLIS, *Secretary*.

#### TEMPERANCE.

We, your Committee on Temperance, do hereby earnestly recommend:

1. That our pastors and people strive to enforce more strictly our disciplinary rules against drinking and drunkenness, and also against buying or selling grain or fruits to distillers—such conduct being decidedly contrary to the profession and practice of Christianity.

2. That a united effort be made on the part of our preachers and

laymen to get our next Legislature to incorporate our churches and schools (not already incorporated) so as to prohibit both the manufacture and sale of intoxicating liquors within suitable distances from said churches and schools.

3. That a strong movement be inaugurated to persuade the boys and young men residing in our church communities to sign the pledge of total abstinence from the use of intoxicating liquors as a beverage.

A. R. Surratt, *Chairman*.

J. B. Carpenter, *Secretary*.

We urge again the importance of having all our churches and parsonages insured. One good church and a parsonage have been destroyed by fire without insurance.

We recommend to the pastors and people that they apply to Rev. J. J. Lafferty, D.D., of Richmond, Va., for insurance in The Methodist Insurance Company, which is the cheapest insurance written, and which writes insurance only for churches, parsonages and preachers' household goods.

## DISTRICT CONFERENCE RECORDS.

The Salisbury District Record is a model of accuracy, neatness and brevity.

The Records of the Asheville, Statesville, Winston, Franklin, Greensboro, and Morganton District Conferences, are well kept, and practically free from error.

The official roll is omitted in the Charlotte District Record.

In the Shelby District Record no notice is taken of the Woman's Home Mission Society.

The spelling in the Mt. Airy District Record is in many instances at variance with Webster.

The Minutes of the Waynesville District Conference are not recorded in a permanent journal. The official roll is incomplete, the name of the Presiding Elder not appearing. There is no record of an approval of the Minutes nor of adjournment.

All the records except two are without marginal index.

J. N. HUGGINS, *Chairman*.

G. T. ROWE, *Secretary*.

The Committee on Books and Periodicals respectfully submits:

It has come to be recognized by the world that the press is not only one of the most potent factors in the dissemination of acquired knowledge, but in this day of ample mail facilities, the simplest and most feasible way to reach the great mass of humanity.

The church appreciating the possible good to be accomplished by such method, has accepted and dignified the press, and in the Methodist Episcopal Church, South, to-day, her religious publications go with the ministry in the spread of the Gospel of Peace. Carefully selecting the purest gems from the writings and utterances of godly men within her ranks, the loftiest conception of Christian character is instilled into the minds and hearts of the people.

The continuous advancement in educational interest continuously enlarges the field of opportunity, and correspondingly adds to the duties of the church in providing wholesome instruction. How well, how faithfully, how fully, is the Methodist Church discharging these duties, may be answered in the books and periodicals issuing from our Publishing House.

It is the pleasure of your committee to commend the *Christian Advocate*, *Bi-Monthly Review*, and the *Review of Missions*. Each of these occupies a field peculiarly its own, and the subject-matter is excellent.

The *Epworth Era* holds a responsible place among the young people of our church, and fully measures up to all requirements.

The Sunday School literature, so essentially important in the development of the lives of our children, we do heartily approve and commend both in editorial management and attractiveness of issue.

Your committee, appreciating the value of the *Children's Visitor*, would urge the benefits to be derived and earnestly request the pastors within our Conference to induce full circulation of such paper in the Sunday Schools.

It is with pleasure your committee takes into review the *North Carolina Christian Advocate* and its work. First of all, it is a religious paper, religiously conducted, and contains such character of writing as enriches Christian home life, builds character on strong foundation and promotes the material and spiritual welfare of our

church. Under the capable management of Dr. L. W. Crawford it continues to grow in power and efficiency.

In furtherance of its purposes for good, your committee recommends that January be appointed as *Advocate* month, and that our pastors, during such month, preach on Christian literature, and solicit subscriptions from their congregations to the *North Carolina Christian Advocate*, appointing, should they deem advisable, committees to aid in such work.

We recommend the re-appointment of Dr. L. W. Crawford as its editor.

J. H. WEAVER, *Chairman*.

S. P. GRAVES, *Secretary*.

#### REPORT SPECIAL COMMITTEE ON PURCHASE OF ADVOCATE.

(As Amended.)

Your committee would respectfully report:

That we find the Christian Advocate Publishing Company to have been regularly and duly incorporated under the laws of North Carolina, and with a present capital stock of 108 shares of the par value of one hundred dollars each, aggregating ten thousand eight hundred dollars. That after careful survey of the educational, spiritual and material interests and needs of the Western North Carolina Conference, and after due consideration as to how these interests might be best promoted and these needs most nearly supplied—your committee was unanimously of opinion that the work of the church would be more effectual and widespread with Conference ownership of controlling interest in the *North Carolina Christian Advocate*, and strongly favor the purchase of the necessary amount of stock in the said company, provided it could be secured at fair and reasonable terms.

Having thus determined, upon conferring with Dr. L. W. Crawford, your committee ascertained that 55 of the 108 shares of the stock which would be a controlling interest in the Christian Advocate Publishing Company, can be secured for three thousand and three hundred dollars (\$3,300.00) in cash. Believing the price designated to be fair and reasonable, your committee doth unanimously recommend:

1. That the Western North Carolina Conference buy 55 shares of stock in the Christian Advocate Publishing Company.

2. That upon acceptance of such plan by the Conference the Trustees of the Conference shall buy the 55 shares of said stock, and pay therefor out of the Conference Trust Fund now in the Treasurer's hands, the sum of three thousand three hundred dollars (\$3,300.00) upon the transfer and delivery to them of the said shares of stock.

That the Trustees shall be the custodians of the 55 shares of stock, and they may, at their election, choose three of their number who shall be vested with authority to supervise the interests of the Conference in the said company.

3. That the editor of the North Carolina Christian Advocate shall be elected as heretofore, upon the recommendation of the Committee on Books and Periodicals, and confirmation by the Conference.

That this report shall in nowise conflict with the report of the Committee on Books and Periodicals.

(Signed) D. ATKINS, *Chairman*.

S. P. GRAVES, *Secretary*.
